#### The Test That Tells.

Dothan, Ala., Jan. 21, 1909.  
Dr. Kilmer & Co., Binghamton, N. Y.  
Gentlemen:—About one year ago two of my children suffered badly from weak kidneys and diabetes; their urine was very bad and they would have severe spells of dizziness, and were run down in health. I was just about discouraged. I tried several remedies and finally a doctor, but they did not seem to improve. I knew of a friend who was taking Swamp-Root for kidney trouble with good results, and I decided to get some for the children. I noticed there was some improvement after they had taken two large bottles, and continued to give it to them until they had taken a half dozen bottles and were well on the road to recovery. I think Swamp-Root has done more for my children than any other medicine I have tried and I recommend it to one having children who suffered as mine did.

R. W. LINSNEY,  
City Clerk, Dothan, Ala.

#### Results After Using.

Boston, Ga., Jan. 13, 1909.  
Dr. Kilmer & Co., Binghamton, N. Y.  
Gentlemen:—Some time ago I was troubled with kidney trouble. I thought for some time I was suffering with Diabetes. I had severe pains in my back and hips. A friend recommended Swamp-Root and I decided to give it a trial. I obtained a bottle from a druggist and after taking a few doses, felt relieved. After taking several bottles the pain was entirely gone and I have not suffered the slightest since. I cannot be too enthusiastic in my praises of this wonderful medicine and it gives me great pleasure to give my testimonial in regard to its merits.

#### The Value of a Remedy is Proven by its Cures.

ELKWOOD, ALA., Dec. 14, 1908.  
Dr. Kilmer & Co., Binghamton, N. Y.  
Dear Sirs:—I have derived such great benefit from the use of your remedy Swamp-Root, that I believe it to be most important for the public to know its worth. For the past ten years I have been the most miserable of men. Did not know what the trouble was but had to urinate very frequently by day and night; was all puffed up generally; could not sleep more than a couple of hours at a time, was greatly distressed after eating a meal and was about worn out. I had tried nearly everything I could see advertised and hear of, without helping me to any great extent, until finally in October last at Ripon, Wis., I purchased a one dollar bottle of Swamp-Root and commenced taking it according to directions and followed that with another bottle and experienced such great relief and benefit from same that I purchased five dollars worth at Huntsville, Ala., and continued its use and am now taking it, but in smaller doses and twice a day in place of four times a day and believe by the time present supply is used up I will be entirely well. I am feeling better now than for ten years past. Can eat and sleep first-class, in fact, I am so good that I cannot resist telling you about it. You are at liberty to publish this testimonial should you wish.

Very respectfully,  
THOS. STALLARD, U. S. A., Retired  
Box 7, R. R. No. 2, Elkwood, Ala.

#### A Clergyman.

NEW ROADS, LA., Jan. 22, 1909.  
Dr. Kilmer & Co., Binghamton, N. Y.  
Dear Sir:—I write today to the public that your Swamp-Root cured me of kidney trouble. I was almost past going; having spasmodic spells with my kidneys that were breaking down my constitution. The best medical aid was employed and they pronounced my trouble as alkali in the kidneys but were unable to do me any permanent good.

I took four bottles of Swamp-Root and became a well man. This was six years ago and I have had no trace of the trouble. Yours for suffering men.

REV. J. R. TAYLOR,  
Pastor Baptist Church, New Roads, La.

#### Mail Carrier's Experience.

BLOUNTVILLE, TENN.  
I have been a rural letter carrier for over five years. Some two years ago I was taken with severe pains in my back. I used medicine from my family physician for several months without any benefit. A friend, Mr. J. D. Nelson, advised me to try your Swamp-Root, but I had no faith in it. I continued to grow worse and at last decided to try this remedy and bought of Long Bros., a fifty-cent bottle which gave me great relief. I then bought two one dollar bottles, which I can truthfully say have completely cured me.

Had it not been for Swamp-Root, I would have been compelled to quit the rural free delivery service.

I advise all mail carrier who get pains in their back that Swamp-Root will cure them.

I was so bad that very often my wife would have to help me to arise.

M. B. HENDRICKSON,  
Rural Letter Carrier, Route No. 2.

#### A Contractor.

DONALSONVILLE, GA., Jan. 20, 1909.  
Dr. Kilmer & Co., Binghamton, N. Y.  
Gentlemen:—About four years ago I suffered from kidney trouble and rheumatism in my hips. The pain across my back became so severe that I could hardly straighten up and could not walk without dragging my feet. I would urinate frequently and would have to rise two or three times during the night, causing me to suffer from loss of sleep. And with the pain I was all run down and began to lose flesh. I saw Swamp-Root advertised and bought one bottle to try it. After taking it I felt better and could sleep all right at night. I continued to take it until I had taken four large bottles. I was entirely free from any pain in the back and began to gain in weight. I always recommend Swamp-Root to my friends as I think the cure in my case remarkable.

#### Beneficial in Severe Cases.

Edgefield, Tenn.  
Dr. Kilmer & Co., Binghamton, N. Y.  
Gentlemen:—I hardly know how to express my appreciation for the good your Swamp-Root has done me. I had been greatly troubled with my kidneys, and with pain in my back; also with what the doctor termed inflammation of the neck of the bladder. Sometimes my back would get in such a shape that I was almost helpless. I had tried several doctors and medicines to no good effect, and finally I noticed in some paper where Dr. Kilmer proposed to send a sample bottle of his kidney medicine, Swamp-Root, free by mail. I sent at once and received promptly a sample bottle. After taking it I found it did me good. I then purchased two bottles from our merchant, Mr. W. J. Elizer. After taking the medicine I felt like a new man, and each day I rode five miles to teach school. You are at liberty to use this letter, or refer anyone to me, as I will always be glad to tell them what a wonderful remedy this Swamp-Root is. Mr. James Ivens, of Saundersville, Tenn., is taking it with good results. Very truly yours,  
D. A. MONTGOMERY,  
Member Tennessee Legislature,  
Rural Route No. 24, Edgefield, Tenn.

#### Results It Has Proved.

Dothan, Ala., Jan. 21, 1909.  
Dr. Kilmer & Co., Binghamton, N. Y.  
Dear Sirs:—Have been suffering more or less from kidney trouble for the last five years and was induced to try your Swamp-Root. Am happy to say, or give you testimonial, that it has cured me. I am a traveling salesman for Messrs. Colgate & Co., New York, and am always traveling on the road. Drinking the different waters affected my kidneys.

Yours respectfully,  
SAMUEL WOLF.

#### A Prominent Mason.

Jackson, Tenn.  
According to my experience, I do not consider there is anything to equal Swamp-Root for kidney affection. Twice it relieved me when I was completely helpless. The last time I was traveling in Texas, when my kidneys became affected, and for ten days I suffered excruciating pains, accompanied with severe chills. Several years previous, having been relieved of a similar attack, I naturally sought relief as before from Swamp-Root. After using four of the large size bottles, I was completely restored and went on my way rejoicing and praising Swamp-Root. This was three years ago and I have had no indication of a return of the affliction.  
J. C. SMITH, Jr., 33 Mason.

#### Fully Satisfied.

Waycross, Ga., Jan. 5, 1909.  
Dr. Kilmer & Co., Binghamton, N. Y.  
Dear Sirs:—During last October I suffered from my kidneys. I consulted my physician, who prescribed for me, but his treatment did not benefit me. After reading some Swamp-Root literature, I decided to give it a trial. After taking a few doses, I felt somewhat relieved, and after two one dollar bottles had been taken, I had no pain and was completely cured. I have not had the slightest pain in my back or hips since. From my own experience, I can cheerfully recommend Swamp-Root to any one suffering from kidney trouble.  
Yours very truly,

#### JAPANESE SASSY IN CALIFORNIA.

Mr. McQuady, A Former Kentucky-  
ian Writes Interestingly About  
The Japanese Situation  
In California.

#### WAR PAINT ON BATTLESHIP.

Dear Sir: Permit me the space, if you think appropriate, to write a few lines for your paper about the Japanese situation in America. But my understanding is not so good as my speech. The question I and others want answered is "How much farther is this Japanese-American farce going before it turns into a tragedy?" One thing we know, sooner or later "the pot must boil." And the feeling in California today is at the highest against the Japs. The bill was passed in the State Legislature excluding Japanese children from our schools. But the opinion is the Governor will not veto it as it will conflict with our treaty with Japan.

President Roosevelt is being criticized for his attitude towards all bills that have a tendency toward Japanese exclusion. He sees it would be a mistake to pass such laws now. It would cause war with Japan. But if war alone is the thing that will prevent us from being crowded off our native land, I for one would welcome the war.

Who is this country, Japan, that it should demand such consideration? Just a little while ago America and England helped Japan on her feet. Now she is sassy and unruly, and may need to be whipped.

Of course, all the States have not the same opinion of the Japs as California, but if they had as many to deal with as California does they would.

A few years ago all the hotel help here was Japanese, and all the rich houses hired them for servants, but before long they got to know more than their employers. They are very inquisitive. They have been caught several times within our Forts prying around to see what we had to fight with until Uncle Sam had to say to Admiral Evans, "Bob take our fleet around by Japan and show the little boys what we have." This cost Uncle Sam twenty million dollars.

The fleet has arrived safely to the Atlantic Coast and the next thing on program was the arrival of "Cruiser Buffalo" which came into San Francisco this morning with a full coat of war paint which is causing much speculation, for a battleship to wear war paint in time of peace. Japan has also shipped two 12 inch guns to Manila, each weighing 57 tons; besides several million rifle cartridges.

It looks like war.  
Yours Truly,  
C. E. McQuady,  
Pealuma, Calif., Feb. 5, 1909.

#### Overfeeding.

"Men drunk from liquor and men drunk from overeating are most susceptible to pneumonia and die of it," said a Chicago health commissioner in an address. "The majority of cases of pneumonia are of patients who contracted the disease after a drunken debauch or who were drunk from overfeeding," the commissioner continued. "People drunk from overfeeding, I think, are almost as immoral as those who stupefy themselves with liquors. The effects of pneumonia in such patients are much the same."

#### Fell From Scaffold And Injured His Back.

Thirty years ago James C. Lee of 1100 9th St., S. E., Washington, D. C., fell from a scaffold and seriously injured his back. In telling about it he says:—"My suffering was terrible, from the small of back all around my stomach was just as if I had been beaten with a club. I tried all kinds of plasters, belladonna, caprine and porous, without getting relief, and bought so-called electric belts, but none of them did me any good.

One day, while working near my daughter's house my back pained me so badly that I had to quit. I went into the house and lay down for ease. My daughter had a bottle of Sloan's Liniment in the house and she rubbed my back well with it and gave me some to take home. I used six and a half bottles of Sloan's 25c. Liniment and can do as much work as any man in the shop, although I am sixty-seven years old. I would not be without Sloan's Liniment for any consideration and recommend it to anyone suffering pain."
